Winning the War on ISIS!

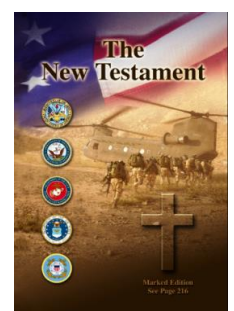

Dear Prayer Partners and Co-laborers in Christ,

We have been greatly blessed by our Lord and Savior Jesus Christ this past year! God continues to open doors that we never thought possible by providing manpower & resources to do His work of military evangelism through the prayers and support of the wonderful people reading this prayer letter. *As a result of your fervent prayers & generous giving, thousands of Soldiers, Sailors, Airmen, Marines & Coast Guardsmen in war zones and on ships, stations and bases around the world are being saved, disciplined and trained to become missionaries to the military.* **Please pray for us as we seek to minister Christ to our US and foreign military forces in 2018!**

✝ Our focus of effort for the next two months is supporting/assisting new **Missionary Church Planters** who have planted or will soon be planting churches in communities near military bases overseas and throughout the United States. **WMBM Missionary Don Koonce** & several godly men from his home church will be attending one of our nation's largest Baptist Church Planting Conference this month. We are seeking to support and assist several more missionaries who will be ministering in churches near US and overseas bases. We are currently supporting and assisting **46 missionary church planters** who have planted churches in communities near military bases in Germany, Italy, Korea, Japan, Israel & the United States. Likewise, we are supporting/ assisting **65 local church missionaries** reaching our veterans in Veterans Homes and Centers. **Please pray for these dear missionary families as they reach our troops on and off military bases & veterans in their local communities with the Gospel of Jesus Christ.**

✝ We constantly receive rewarding feedback from those using our tracts & Bibles. We have sent out **2,316,500** gospel tracts, **145,000** Bibles and WMBM military-style New Testaments & **12,600** "discipleship courses" to service members, veterans & churches to use in war zones, on ships & military bases around the world. Those who we support proclaim our military mission fields are "ripe unto harvest." **Please pray that "the Lord of the harvest" will allow an abundant crop of souls in uniform & veterans in 2018!**

✝ Finally, WMBM is extremely grateful for **Steve & Elaine Llewellyn** who have faithfully sustained the ministries of WMBM for many, many years. Elaine has carefully and prayerfully packaged and mailed over **117,000** Bibles, NTs, tracts, and discipleship materials to our troops, veterans, soul-winners and churches around the world during 2017. **We salute their professional excellence and love for WMBM & our Lord Jesus Christ!**

Thank You Again For Keeping Us "On The Firing Line"
